

UAW Big Three STAND UP Strike

The Big Three Automakers have failed to offer a fair and equitable agreement, leaving no choice for UAW Big Three Autoworkers but to STAND UP and strike out against Corporate Greed! UAW is fighting to win back concessions given up when the Big Three were on the verge of bankruptcy because now, Ford, GM, and Stellantis are incredibly profitable but have failed to provide workers their fair share of the wealth UAW members have created. The incomprehensible profits and executive pay rob every working person and the American economy and fuel the race to the bottom.

WHO ARE WE? UAW!
